

## Application confirmation and cooperation form Arctic Field Grant 2022

1. Application number in RCN system:.....

2. Intended grant recipient: .....

3. Name and address of the Norwegian institution responsible for the project:

.....  
.....

4. Bank account details for the Norwegian institution:

.....  
.....

5. **Contact person** (scientific personnel or administrative staff) at Norwegian institution (for master/PhD students and all applicants from foreign institutions). Approval of the application and acceptance of the responsibilities in connection with the role as contact person for the project:

.....  
Name in capital letters                      Role / title                      Date                      Signature

6. **Approval of the application and acceptance of the institutions economic responsibilities** in connection with the grand application. Must be signed by the **head/ director of the Norwegian institution/ university** responsible for the project:

.....  
Name in capital letters                      Role / title                      Date                      Signature

7. For applicants from non-Norwegian institutions it is **mandatory** to include a detailed description of the cooperation with the Norwegian institution and the benefits to both parties. One of the main reasons for projects not getting funding is a missing or inadequate cooperation description. Insert the description below and use an additional page if necessary.

This document is a mandatory attachment for the online application. When signed scan it and convert it to a PDF. Include the PDF in the application and keep the original copy.
